The Institute is well equipped with modern audio-visual aids including power point presentation, computerized with internet facility. The Infrastructure facilities and livestock in Chicken, Duck, Farms and Hatcheries are utilized for the purpose of practical part of the training. Nutrition Service and Teaching Laboratories are equipped with modern analytical (N.L.R., H.P.L.C., Atomic Absorption Spectrophotometer (AAS), Gas Chromatography) equipments, carrying proximate analysis, vitamin, mineral and amino-acid assaying. The Institute has a well stacked library with good number of collection of text books on different disciplines of poultry productions published from India and abroad and many international journals.

Fully furnished hostel rooms at very nominal rent with well maintained kitchen and dining facilities along with manpower are available for the trainees, who share the cost of groceries and fuel only. Family accommodation is not available at CPDO&TI Hostel for the trainees. Trainee officers coming with family members are to make their own arrangements for their boarding and lodging.

It is requested that nominations of eligible officers from your Department/Institution may kindly be sent to the undersigned for confirmation. Postal address, including e-mail/ telephone number of the nominated officers may be furnished; so that we can communicate acceptance of their nominations to the trainees directly. The nominated officers may be relieved only after getting confirmation from this office.

An early action in this regard is appreciated.

Yours faithfully,

Endt.on B4.34903/14/plg. Dated:05.12.2014

(P.S. MAHESH)
